# A BILL

To require the Secretary of the Treasury to submit a report to the appropriate congressional committees on the estimated total assets under direct or indirect control by certain senior Iranian leaders and other figures, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2   *tives of the United States of America in Congress assembled,*

3   **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Iranian Leadership  
5   Asset Transparency Act”.

6   **SEC. 2. FINDINGS.**

7       The Congress finds the following:

8              (1) Iran is characterized by high levels of offi-  
9   cial and institutional corruption, and substantial in-  
10   volvement by Iran’s security forces, particularly the  
11   Islamic Revolutionary Guard Corps (IRGC), in the  
12   economy.

13             (2) Many members of Iran’s senior political and  
14   military leadership have acquired significant per-  
15   sonal and institutional wealth by using their posi-  
16   tions to secure control of significant portions of  
17   Iran’s national economy.

18             (3) Sanctions relief provided through the Joint  
19   Comprehensive Plan of Action has resulted in the re-  
20   moval of many Iranian entities that are tied to gov-  
21   ernmental corruption from the list of entities sanc-  
22   tioned by the United States.

23             (4) The Department of Treasury in 2011 des-  
24   ignated the Islamic Republic of Iran’s financial sec-  
25   tor as a jurisdiction of primary money laundering

1 concern under section 311 of the USA PATRIOT  
2 Act, stating “Treasury has for the first time identi-  
3 fied the entire Iranian financial sector; including  
4 Iran’s Central Bank, private Iranian banks, and  
5 branches, and subsidiaries of Iranian banks oper-  
6 ating outside of Iran as posing illicit finance risks  
7 for the global financial system.”.

8 (5) Iran continues to be listed by the Financial  
9 Action Task Force (FATF) among the “Non-Coop-  
10 erative Countries or Territories”—countries which it  
11 perceived to be non-cooperative in the global fight  
12 against terror finance and money laundering.

13 (6) Iran and North Korea are the only coun-  
14 tries listed by the FATF as “Non-Cooperative Coun-  
15 tries or Territories” against which FATF countries  
16 should take measures.

17 (7) The Transparency International index of  
18 perceived public corruption ranks Iran 130th out of  
19 168 countries surveyed.

20 (8) The State Department identified Iran as a  
21 country/jurisdiction of “primary concern” for money  
22 laundering in its 2014 International Narcotics Con-  
23 trol Strategy Report (INCSR).

24 (9) The State Department currently identifies  
25 Iran, along with Sudan and Syria, as a state sponsor

1       of terrorism, “having repeatedly provided support  
2       for acts of international terrorism”.

3                     (10) The State Department’s “Country Reports  
4       on Terrorism”, published last in June 2015 noted  
5       that “Iran continued to sponsor terrorist groups  
6       around the world, principally through its Islamic  
7       Revolutionary Guard Corps–Qods Force (IRGC–  
8       QF). These groups included Lebanese Hizballah,  
9       several Iraqi Shia militant groups, Hamas, and Pal-  
10      estine Islamic Jihad. Iran, Hizballah, and other Shia  
11      militia continued to provide support to the Asad re-  
12      gime, dramatically bolstering its capabilities, pro-  
13      longing the civil war in Syria, and worsening the  
14      human rights and refugee crisis there.”.

15                   (11) The Iranian Government’s tolerance of  
16       corruption and nepotism in business limits opportu-  
17       nities for foreign and domestic investment, particu-  
18       larly given the significant involvement of the IRGC  
19       in many sectors of Iran’s economy.

20                   (12) The IRGC and the leadership-controlled  
21       bonyads (foundations) control an estimated one-third  
22       of Iran’s total economy, including large portions of  
23       Iran’s telecommunications, construction, and airport  
24       and port operations. These operations give the IRGC

1 and bonyads vast funds to support terrorist organi-  
2 zations such as Hezbollah and Hamas.

3 (13) By gaining control of major economic sec-  
4 tors, the IRGC and bonyads have also served to fur-  
5 ther disadvantage the average Iranian.

6 **SEC. 3. REPORT REQUIREMENT RELATING TO ASSETS OF**  
7 **IRANIAN LEADERS AND CERTAIN SENIOR PO-**  
8 **LITICAL FIGURES.**

9 (a) IN GENERAL.—Not later than 270 days after the  
10 date of enactment of this Act, and annually thereafter (or  
11 more frequently if the Secretary of the Treasury deter-  
12 mines it appropriate based on new information received  
13 by the Secretary) for the following 2 years, the Secretary  
14 of the Treasury shall, in furtherance of the Secretary's
